Diagram illustrating the correct and incorrect use of the tape:

- Step 1: Holding the tape roll with both hands.
- Step 2: Pulling the tape out.
- Step 3: Peeling the tape off the roll.
- Warning: A red 'X' and a star indicate that the tape should not be used to wrap the hand.

WAIT

15minutes

福炭 (Fukuden)

The illustration shows a girl with dark hair in a ponytail, wearing an orange shirt, blowing into a long, striped hot air balloon. To her left is a light blue rectangular panel. On the panel, there is a white hand icon with the word "WAIT" in red below it. Next to it is a clock face with a red arrow indicating a 15-minute duration, with the text "15minutes" in red below the clock. At the bottom of the panel, a small hot air balloon is shown being inflated. Above the girl's head, a small cat character is sitting on a yellow oval with the Japanese text "福炭" (Fukuden) written on it. Red lines represent the air being blown from the girl into the balloon.
